CAREER OBJECTIVE

- I am currently a final year student at Universiti Malaysia Pahang Al-Sultan Abdullah, pursuing a Bachelor's degree in Computer Science with a focus on Software Engineering. I am actively **seeking an internship opportunity** starting from **12/08/2024 to 24/01/2025**. With my strong background in computer science, I am enthusiastic about the prospect of contributing to your company.

EDUCATION BACKGROUND

- **Bachelor of Computer Science (Software Engineer) with Honor**. (Current Upper Class CGPA)
  Universiti Malaysia Pahang Al-Sultan Abdullah, Pekan, Kuantan, Pahang.
  February 2022 - February 2024
- **Diploma in Computer Science** (Upper Class Graduated)
  Universiti Malaysia Pahang Al-Sultan Abdullah, Pekan, Kuantan, Pahang.
  September 2019 - August 2021

EXPERIENCE

Internship Trainee (IT Technician) August 2020 - January 2021
Kolej Komuniti Taiping, Perak.
- Troubleshot and debugged minor program issues.
- Conducted video and photo editing tasks.

Part time job (Service crew) July - September 2021
D'Paradise Cafe, Perak.
- Provided exceptional customer service by ensuring a positive experience for each patron.
- Fulfilled orders with precision and attention to detail to meet customer expectations.

SKILLS

Computer/ Technical Skills
- Experienced in programming languages such as PHP, JavaScript, SQL, JSON, Python, C, C#, SQL, HTML, CSS.
- Experienced in leveraging MVC frameworks to ensure clean code organization.

Teamwork:
- Ensured effective communication with my groupmates and assist whenever needed.
- Partnered with team members to achieve success in group projects for soft-skill subjects, showcasing strong teamwork abilities.

Problem-Solving:
- Proficient in identifying and resolving complex issues through analytical thinking and resourcefulness.
- Innovative solutions in diverse professional settings.

HONORS & ACTIVITIES

- Dean's List 2019 (Diploma in Computer Science)
- Bronze medal in Top project of Final Year Project (Diploma in Computer Science)
